If a players name has a space you must either; Use an underscore within the command. Example: Player 1 would become Player_1 (!setacc Player_1). OR Use quotes around the name. Example Player 1 would become "Player 1" (!setacc "Player 1")

By default Authorized users balances are non-deductible (Unlimited balance), an Authorized user is essentially an administrator of the bank. They cannot use the Donate command

By default R4+ have similar access to Authorized users. Please ensure your command minimum ranks are appropriate.

The bank will not respond during long running tasks, such as hero stages. We suggest in your hero stage to: Set a custom chapter and stage with 3 ☆ unlocked and enable Sweep and X10 options.
